

# CRESTLINE®

## Summit 170 - Type III

The **Summit 170** is our *safest* and most *operationally sound* and *ergonomically friendly* vehicle.

The Summit 170 offers a variety of CMVSS & FMVSS compliance seating configurations.

## Safe • Ergonomic • Spacious

The Summit 170 is Crestline's largest ambulance and has a spacious interior with 72" of headroom. The rear exterior door design provides increased headroom and patient privacy. The aluminum cabinets have rounded corners and integrated padding for enhanced safety. The interior LED lights are color balanced for accurate skin pallor diagnosis and provide ambient options for long transports.

### Main features

-  CMVSS & FMVSS compliance seating options
-  Easy serviceable HVAC system
-  Cabinets equipped with LED lighting for brighter interior
-  Versatile equipment storage solutions on interior & exterior
-  CrestCoat powder coat technology eliminates corrosion
-  Strength of roll cage construction proven with extreme static load testing

### Options

-  Optional siren & air horns for optimal traffic clearance
-  Optional camera & monitor systems
-  Optional ACETECH Integrated Vehicle Intelligence solution
-  Optional combination outlets & O<sub>2</sub> port locations
-  Optional backup sensors
-  Optional suspension systems - improve ride quality and lower stretcher lift height
