At Wheeled Coach, we understand that EMS is tough work; every situation has unique demands and you need an ambulance that is up to the challenge. Each of our vehicles is computer-designed and manufactured to perform under the most demanding circumstances.

When you choose Wheeled Coach, you'll get the industry leading ISO 9001 certified commitment to quality and safety. Plus, every vehicle is packed with features such as our exclusive SafePASS™ Patient Access Safety System, DuraLite™ cabinets, DuraSeam™ seamless doors and door jambs, a highly reliable electrical system, and our patented PureAir™ air filtration system.

All of this and more, crafted to meet your unique EMS demands, with the fastest delivery time in the industry.

Demand More. Demand Wheeled Coach.

Our Exclusive Cool-Bar™ Air Conditioning System

The Wheeled Coach Cool-Bar™ is the latest innovation from Wheeled Coach, designed to allow the use of an auxiliary A/C condenser without compromising the safety of the front mounted warning lights. Cool-Bar uses a high volume condenser for more efficient patient air conditioning while enhancing safety with two angled warning lights.
